What this certificate does not cover?

These are referred to as 'Exceptions' in your certificate and there are three sections where you can find them:

- i. Section A 1b – see 'What is Not Covered' (pages 8 and 9): applicable to Comprehensive certificate only.
- ii. Section B 1b – see 'What is Not Covered' (pages 11 to 12): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.
- iii. Section D – see 'General Exceptions' (pages 13 to 16): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.

There are generally three reasons why we put these exceptions in your basic Private Car Certificate:

1. Cover is not provided for the exceptions. You have to pay an additional Contribution if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Private Car Certificate but which can be covered if you pay additional Contribution are:
 - i. flood, storm {see Section A1b – 'What is not Covered' (page 9)};
 - ii. strike, riot, civil commotion {see Section D – 'General Exception 8b' (page 15)}; and
 - iii. use outside Malaysia, Singapore or Negara Brunei Darussalam {see Section D – 'General Exception 6' (page 14)}.
2. There are other risks which are not covered by the basic Private Car Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, the following are not covered by your Private Car Certificate but can be covered under a different type of certificate:
 - i. carriage of goods must be covered under a Commercial Vehicle Certificate; and
 - ii. hire or reward must be covered by taxi or hired car Certificate.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – 'General Exceptions' (pages 13 to 16) such as:
 - i. war, nuclear fission or fusion;
 - ii. risks that are against the government/public policy or against the law; and
 - iii. drunk driving.

How can your car be used?

Since this is a Private Car Certificate, your certificate only covers you if your car is used for "social, domestic and pleasure purposes and for the Participant's business". This is clearly stated in the Certificate of Takaful under the heading "Limitation as to Use".

The following are some examples of how your car can be used:

- i. to visit relatives and friends, for shopping etc.; and
- ii. for some limited business use such as getting to and from work, and meeting customers.

However, you will not be covered, for example, if you use your car in the following manner:

- i. as a private taxi by charging fares to carry passengers;
- ii. as a hire car by charging rental to use your car;
- iii. to carry any goods in connection with any trade or business other than samples unless you participate the appropriate cover;
- iv. for motor trade (use for showroom display and for test-drive);
- v. to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test; and
- vi. use on any racetrack.

Who can drive your car?

1. Practically anyone can drive your car as long as the driver:
 - a) has a valid licence of the relevant class to drive and is not disqualified to drive by law or for some other reason {see exclusion on Unlicensed Drivers in Section D – ‘General Exception 1’ (page 13)};
 - b) has your permission to drive (see definition of Authorised Driver on page 21); and
 - c) complies with all the terms and conditions of this certificate.

2. If you or your authorised driver is not qualified to drive or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised driver.

In which territory is your car covered?

This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance with the laws of Malaysia. Additionally, note that if you intend to drive your car into Singapore, you are required by Singapore’s law to have cover against Legal Liability to Passengers (LLP). Since LLP is not covered by the basic Private Car Certificate, you will need to obtain Endorsement C100 (see page 34), which provides a limited cover for your liability for death or bodily injury of passengers.

When is your cover effective?

This Takaful is effective from the time of participation of the Takaful contract or at the agreed time of commencement, until the expiry date. The Period of Takaful will be printed on the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you cover your car for under a Comprehensive or Third Party, Fire and Theft Certificate?

To be safe, you should cover your car at its current market value (see definition on page 23). In simple terms, this is the current cost to replace your car with another car of the same make, model, age and general condition. The amount that you choose to cover is called the sum covered. Please note that you could be penalised if your car is under-covered (see Section A2e – ‘Under-Coverage’ on page 10).

For example, if the market value of your car is RM100,000 but you only covered it for RM80,000 then you could be penalised for under-covered. Assuming the loss is assessed at **RM5,000**, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-covered as follows:

Sum Covered		RM80,000	
-----	x Loss =	-----	x RM5,000 = <u>RM4,000</u>
Market Value		RM100,000	

Therefore, **RM4,000** will be paid while the balance of **RM1,000 will be borne by you**.

You would be penalised as shown above if the market value of your car exceeds the sum covered by 10%. On the other hand, it would be inappropriate to over-cover as your Takaful operator would only pay your claim based on the market value. One way to protect yourself from being under-covered or over-covered is to opt for the sum covered determined by a market valuation system approved by Your Takaful Operator.

What is No Claim Discount (“NCD”)?

This is a form of Contribution discount for not having made a claim during the preceding period of your Takaful (provided the Period of Takaful exceeds one year). The scale of the NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database (“CND”) at <https://www.mycarinfo.com.my/ncdcheck/online> before you obtain your Private Car Certificate.

What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Certificate Schedule to find out the amount that you are liable to pay. This is referred to as Endorsement C001 or C002 in your certificate.

*As an example, if we assess the claim payable to be **RM10,000** but your certificate carries an excess of RM500, you will have to bear the first **RM500** yourself and the balance of **RM9,500** will be paid.*

Do’s and Don’ts – after you have had an accident or theft

1) Do:

- i. Call **Proton Customer Care Assistance** Helpline number **1800-88-8398** should you need immediate road assistance or tow service in the event of a road accident, or wish to make an enquiry on claims procedure;*
- ii. inform us as soon as possible about any incident which may give rise to a claim;*
- iii. report all accidents to the police within twenty-four (24) hours as required by law;*
- iv. immediately submit to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;*
- v. move your car to an Approved Repairer for repairs or windscreen repairs or replacement;*
- vi. fully complete the relevant sections of your claim form – do not put “refer to police report”; and*
- vii. if you have a Comprehensive cover and the third party that knocked your car is clearly at fault, you are advised to submit own damage Knock-for-Knock (KfK) claim to us in order to expedite claims processing. Your NCD entitlement will not be affected and you can claim the excess that you had paid from the Takaful operator/ Insurer of the third party.*

2) Don’t:

- i. negotiate, admit or repudiate any claim without our consent (see Condition 2 on page 17 to 18); and*
- ii. authorise repair without our consent (see Condition 2f on page 17 to 18).*

Condition 2 of your certificate (see page 17 to 18) spells out the do’s and the don’ts after an accident or theft in more detail.

2: Basis of Settlement

*This section explains how **We** will settle **Your** claim once **We** have assessed that it is payable under Section A. If **Your Car** is damaged as a result of any **Incident**, **We** have the option of doing the following:*

a. If Your Car is Repairable

If in **Our** opinion **Your Car** is economical to repair, **We** have the option to:

- i. arrange for **Your Car** to be repaired at an **Approved Repairer** and pay the cost of repairing **Your Car** to the condition which is as near as possible to the condition it was in before the loss happened;
- ii. pay **You** in cash the total amount that **We** estimate it would cost to repair **Your Car**; or
- iii. reinstate or replace **Your Car** with one of the same make, model, age and general condition.

b. If Your Car is not Repairable

If in **Our** opinion, the damage to **Your Car** is substantial that it would not be safe or economical to repair, **We** will declare **Your Car** "Beyond Economic Repair" ("BER") and **You** will be paid up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. **We** may also opt to replace **Your Car** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Certificate** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from the **Market Value** by more than ten percent (10%), **We** would also have the option to offer a settlement value which is equal to the cost of acquiring a replacement **Car** of the same make, model and age of the **Car** at the time of loss. It is **Our** option to offer **You** a replacement of the **Car**, should **You** not agree with the offer.*

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Car** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- i. the last known spare parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not including the cost of air freight); and
- ii. the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount will Be Paid To You

If **Your Car** is BER or stolen and not recovered, the amount payable under the **Certificate** will be paid based on the **Market Value** at the time of the loss or the **Sum Covered** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Certificate** shall be automatically terminated. The **Market Value** is to be determined according to Clauses 18 and 19 of Section F.

e. Under-Coverage

If the **Sum Covered** of **Your Car** is less than the **Market Value** at the time of the loss, **We** will only pay a part of the loss in proportion to the difference between the **Market Value** and the **Sum Covered** as shown in the formula below:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-covered amount is more than ten percent (10%) of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Car** and as a result of which **Your Car** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** Contribution would be according to the following scale:

Age of Your Car (Years)	Rate of Betterment (%)
up to 10	0
11 and above	40

To determine the rate of betterment to be applied, the age of **Your Car** will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled Car	Date of Original Registration
b. as a new imported Completely Built Unit (CBU) Car	Year of Manufacture
c. as an imported second-hand/used/reconditioned Car	Year of Manufacture

g. Compulsory Excess (please see page 6 for explanation)

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct another RM400 as **Compulsory Excess** if at the time of the **Incident**, **You** or the person driving **Your Car** with **Your** consent:

- is under 21 years old; or
- holds a Provisional (P) driver's licence.

We will not deduct this additional RM400 **Excess** if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3: Towing Costs

If **Your Car** cannot be driven as a result of any damage to it that is covered by this **Certificate**, an amount up to a maximum of Ringgit Malaysia Two Hundred (RM200) will be paid for the necessary and reasonable costs to move **Your Car** to the nearest **Approved Repairer** or to a safe place of storage while awaiting repair or disposal.
