1 What is Takaful myProton Insurance Program?

Takaful myProton Insurance Program under Proton Insurance Program provides comprehensive coverage to your vehicle in the event of losses or damages due to accident, fire or theft as well as liability to third party for death or bodily injury and property losses or damages.

Applicable Shariah Concepts:

- **Hibah** refers to transfer of ownership of an asset from a donor to a recipient without any consideration. The benefits payable from General Takaful Fund (GTF) are based on Hibah.
- **Ju'alah** refers to a contract where a party offers a specified reward to another party who achieved a determined result. The participant allows Syarikat Takaful Malaysia Am Berhad (Takaful Malaysia) to receive a portion of the distributable surplus arising from the GTF as a performance incentive.
- **Qard** refers to a contract of lending money by a lender to a borrower where the latter is bound to repay an equivalent replacement amount to the lender. Takaful Malaysia will lend an amount of money to the GTF without interest if the GTF is in deficit.
- **Tabarru'** refers to a donation for charitable purposes. The participant donates a portion of the contribution to the GTF to help other participants.
- **Wakalah** refers to a contract where a party, as principal authorizes another party as his agent to perform a particular task on matters that may be delegated, with or without the imposition of a fee. The participant authorizes Takaful Malaysia to manage the GTF and in return, Takaful Malaysia will receive the Wakalah fee.
